

## Torrance YMCA Within a 'Whisper' of Fund Goal

The Torrance YMCA is within a whisper of minimum budget needs for the coming program year. Following Operation Mayday on Monday, the

### ... Airport

(Continued from page 1)  
Egan said yesterday that 35 sets of plans and specifications for the tower had been issued by the city to those interested in bidding on the job.

A CLOSED MEETING of the council has been called for 7 p.m. to discuss personnel matters, and a second closed meeting at 7:45 p.m. has been called by City Attorney Stanley Remelmeier to discuss litigation.

The nature of the discussion in either case has not been made public.

### ... Courts

(Continued from page 1)  
The meeting was called by Presiding Judge Louis Burke when several of the county's 102 Superior Court judges asked for more information on the matter.

It had been planned to circulate the recommendation of the three-man committee for approval.

City Attorney Stanley Remelmeier, who has taken a leading role in the efforts to obtain approval of the Torrance court site, said yesterday that a meeting of the judges was the normal procedure, and that the circulation of an order for approval was something new.

He did not believe that the meeting meant a serious threat to the city's obviously favored position on the matter.

The city of Inglewood, which is the location of the temporary court facilities, continued its battle after the public hearing on April 26, and circulated information to all the county's judges, it was reported.

The committee's report, signed by Judges Lloyd Nix, Ben Koenig and William Haughton, took official notice of Inglewood's action by informing their colleagues that "since the hearing the City of Inglewood has seen fit to circulate certain of the materials presented to this Committee to each judge."

The three judges told their colleagues that all documents presented at the hearing were available to any judge wishing to see them.

Most local officials interpreted the judges' statement as a mild rebuke for Inglewood's unilateral action.

"Y" needs only \$903 more in order to continue operating a full program of clubs, camps, athletic leagues, leader training, and personal counseling for over 6000 boys and girls. The high division in the annual campaign to date is in-

dustrial with \$11,191. Parents are a close second with \$10,988. Commercial donors have provided \$4018, while professional people have contributed \$3238 to the YMCA. In addition to these funds, the YMCA received \$2750 for 1961 from A-I-D donors.

Mayor Albert Isen has served as general chairman for the 1961 YMCA Campaign.

## Garden Checklist

1. Divide tall Bearded Iris after it goes out of bloom—but only if clumps are crowded. Every third year is about average for dividing them.
2. Set lawn mower blades to cut grass longer than during the cooler months. About 1½ to 2 inches is right for the hot summer months.
3. Plant Dahlias again this month for a late show of this favorite flower.
4. Anticipate summer bare spots in the garden by filling them with annuals now.
5. Hanging baskets should be brought down occasionally for a good soaking. Immerse the whole container in water and let it drink deeply.

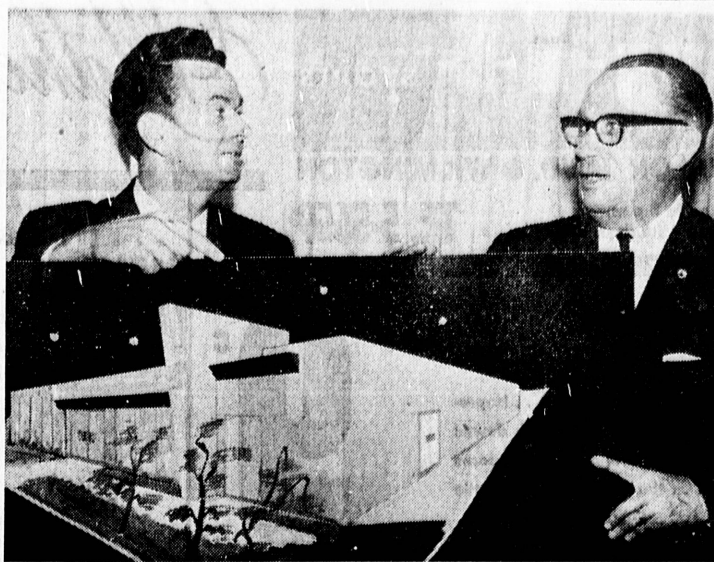

## Republican Club To Meet Tuesday

The Torrance Republican Club will have its next meeting on Tuesday evening, May 9, 1961, 8:00 p.m., at the Higgins Brick & Tile Co. Assembly Room, 2217 W. Artesia, according to an announcement by Tom Brewer, club president.

Featured speaker will be Lt. Gus Rethwisch of the Torrance Police Department. Lieutenant Rethwisch is the head of the Juvenile Bureau of the local Police Department, and a member of the Torrance City Police for the past 11 years. He will speak upon the narcotics problem in its relation to local enforcement in this area.

Upon the conclusion of the meeting, refreshments will be served.

"Bridgette Bardot is slated to play the role of the spy, Mata Hari. I suppose, as a disguise, she'll wear clothes." —George Owen, South Bergen (N.J.) News.
